DR. ROBACK'S NATIVITIES.—

Why he harassed every day,
Thinking what may next take place?
Dr. Roback can portray,
By the planets trothful ray,
All events, or grave or gay.
That in the future we must face.

Nor is this all. Not only do the nativities east by Dr. ROBACK. No. 6 White street, show what destiny seems to have in store for the individual, but they designate the methods by which misfortune, sickness, and other perils, may be avoided. Pope says that Heaven, while
"Binding Nature fast in fate,
Left free the human will."

So that if we are forewarned we are forearmed. The nativity points out the dangers that beset us, and knowing them, it is our own faults if we do not avoid them. Dr. C. W. Roback, as the astrological adviser of King Bernadotte of Sweden, warned him against two conspiracies, and is now in the confidential correspondence with his son, the reliming King, Occar the lat. He has also east the nativities of the Kings of Prussia, Naples, Denmark, and Hanover, and so far everything has fallen out with these monarchs according to the very letter of their horoscopes. Dr. C. W. Roback is properly the calculate nativities for persons at a distance, on receiving their names, and the year, day, and hour of birth. For fall nativities. So. He may be consulted, or addressed by letter, postpaid, and including the necessary fee, at No. 6 White street, New York, NEW PUBLICATIONS.
